

# Commonwealth Soccer Club Financial Assistance Information and Form

CSC is pleased to offer a Scholarship program to help families offset club fees. The club has a limited number of scholarships available and the number of players receiving aid and the amount of the scholarship will vary depending on the funds available. Scholarships are funded by contributions, camp and tournament proceeds.

CSC does not offer 100% scholarships. Scholarships only cover a portion of the club fee and families will be responsible for paying any club fees not covered by the scholarship. Families are also responsible for their player's uniform expenses, team assessments and their player's travel expenses. Depending on the funds available scholarships will be assigned as follows:

- 50%: This assessment means that a family is responsible for 50% of the program fee. Families are asked to perform 8 hours of volunteer work in the awarded season.
- 25%: This assessment means that a family is responsible for 75% of the program fee. Families are asked to perform 6 hours of volunteer work in the awarded season.
