

[CSC letterhead]

Dear Parent/Guardian:

This letter is to inform you that effective July 1, 2022, the Commonwealth Soccer Club (CSC) will no longer be operating youth soccer programs for boys and girls 5U -19U. We have entered into an agreement with Lexington Sporting Club for the continuation of the youth soccer program.

Lexington Sporting Club (LSC) has agreed that each player on a 2021-2022 team will be placed on a LSC team should such player choose to register for the 2022-2023 season. Furthermore, if there is a preference for some teams to remain intact, LSC will work with that team's representative and make every reasonable effort to keep these teams intact. More information about this will be made available by LSC at registration. LSC will not be increasing registration fees for the 2022-2023 season, with the exception of the Boys USL Academy. LSC will provide a financial assistance program similar to the program currently offered by CSC.

In order to make the soccer program transition go as smoothly as possible, LSC has requested that CSC transfer to it all player files, team rosters, 2021-22 registration lists, and other documents that may contain your player(s) personal information. You have the right to withhold your consent to having your player(s) file and information transferred.

If you **DO NOT** wish to have your player(s) information included in the documents, files, and lists transferred to THS, please complete the form below and return your signed withholding of consent **BEFORE APRIL 7th, 2022**. This may be emailed to info@commonwealthsc.com. If we do not receive a signed form from you, your player(s) files and information will be sent to LCS.

More information about the transition will be made available in the coming weeks.

Questions or concerns may be directed to Robert Easley, Chairman of Commonwealth Soccer Club at Robert.L.Easley@gmail.com.
